Hi! my name is Emily Vilal and I agree with you when I read the Banning LGBT people conversion therapy I think that people should be who they are. NO one can change that so thank you.

Love,
Emily

Dear Mr. Burke,
I'm Lily and 10 years old I'm from NY (Manhattan). I am writing an article about banning LGBTQ + conversion therapy. I agree with you because it doesn't matter who you like or what gender you are. So thank you for doing that.
