Hon. Stefan I. Mychajliw
Erie County Comptroller
95 Franklin Street, 11th Floor
Buffalo, New York 14202

Dear Comptroller Mychajliw:

I am writing to request that your office conduct an analysis of the feasibility of merging the Erie County Water Authority into Erie County government as provided for in Section 1053 of the Public Authorities Law concerning the "Erie County Water Authority Act."

Specifically, given the actions of Water Authority management over the past several years, and the findings of the New York State Authorities Budget Office in their recent review, it is past time to act. To that end, analysis and data from your office would help lend itself to legislative action at the county and state levels.

I look forward to your favorable reply.

Sincerely,

A handwritten signature in cursive script that reads "Patrick B. Burke".

Erie County Legislator
