ACCOMPANYING MEMORANDUM

Re: **Chaplain Agreement**

I. Summary of Recommended Action

The Sheriff's Jail Management Division needs authorization to enter into a new agreement with a chaplain for religious and spiritual services and counseling,

II. Fiscal Implications of Proposal

Funding for the chaplains is to be allocated from existing funds in the Sheriff's Office budget.

III. Reasons for Recommendation

The Chaplain Division of the Sheriff's Office provides various religious and spiritual services as well as counseling for inmates; however, there are occasions where current chaplains are not available due to other commitments. By entering into agreements with chaplains, the Jail Management Division and Chaplain Division can provide greater access to religious services and leaders.

IV. Consequence of Negative Action

The Erie County Sheriff's Jail Management Division would be unable to provide additional religious services and counseling to inmates.

V. Steps Following Approval of Measure

Certified copies of this resolution will be forwarded to the County Executive, the County Attorney, the Division of Budget and Management, the Erie County Comptroller's Office and the Erie County Sheriff's Office for implementation.
