Re: Old Turf at New Era Field

Dear County Executive Poloncarz:

At today's legislative session, a resolution was considered requesting and authorizing the County to donate a portion of the old turf at New Era Field to the Depew-Lancaster Boys and Girls Club, for use for their youth programming.

I think this is a great idea and I am sure that other community organizations and members of the public would be interested in acquiring part of the old turf for use or as a memento.

I am respectfully requesting that we discuss the possibility of making the turf available to members of the public.

Thank you in advance for your consideration. I look forward to discussing this with you in the near future.

Sincerely,
