**Re: Erie County Community Corrections Advisory Board Members
Tour of the Monroe County Jail and Correctional Facility**

Dear Superintendent Harling:

During the past two monthly Advisory Board Meetings, members have expressed the desire to tour your facilities. The purpose of this tour is to become more aware of the possible programs that might be offered at the Erie County Correctional Facilities and Holding Center.

Some of these programs are listed on your "Jail Bureau Programs" web site.

Superintendent Thomas Diina of the Erie County Jail Management, a member of the Erie County Community Corrections Advisory Board, has suggested that I write to you, requesting that members of the ECCAB be given permission to tour your facilities. Superintendent Diina stated "While I don't necessarily think that a tour of the Monroe County Jail is critical to the important work that we are doing on the Advisory Board, I also feel that the more ideas that board members who are not experienced in jail operations get, the better. I will most likely not be able to accompany you on the tour, but will enjoy hearing everyone's thoughts upon their return".

I am the retired Deputy Superintendent of the Erie County Correctional Facility. I also served on the Erie County Conditional Release Commission for six years.

Should you be able to accommodate the Board, please advise me as to the numbers of Board members that can attend, possible date(s) and time (s) for the tour? I can be reached at 716-668-6824.

Sincerely,

Reverend Eugene L. Pierce
Chair
