

The Towns of Alden and Newstead have entered into an agreement to share assessment services. This step will help both Towns save tax dollars while continuing to provide professional assessment services. Under the agreement, Newstead will be contracting with Alden for the services of their Assessor, Bill Sivecz.

Mr. Sivecz has been employed in the Assessment profession for forty years, having worked as a private contractor, analyst and as an Assessor; he holds the Institute of Assessing Officers designation of Professional Assessor. Outside of the Assessor's Office, Bill is involved in little league sports as president of Empire West Youth Football and Cheerleading, Treasurer of the WNY Amateur Football Alliance and as a Certified Youth Sports Administrator. He is married to his wife Chris, a COTA in the Lockport City School District. They have three children and one grandson.

Mr. Sivecz will be in the Newstead office daily, Monday, Wednesday and Friday from 9:00am to noon and Tuesday and Thursdays from 1:00pm to 4:30pm.
