

ALERT!

BEETLES ARE KILLING OUR TREES

Learn how you can stop them at this
Public Information Meeting

Wednesday • June 3 • 7:00 PM

Newstead Fire Hall • 5691 Cummings Rd. • Akron, NY

**Destructive Emerald Ash Borer beetles are here
in Western New York and the Town of Newstead.**

Join us June 3rd to learn what they and other invasive species are and
what you can do to protect your property and save your trees.

Featuring Special Guest Speakers:

Mark Whitmore

Dept. of Natural Resources, Cornell University

Pat Marren

NYS Dept. of Environmental Conservation

Andrea Locke

PRISM WNY Coordinator, Buffalo State

Meeting facilitated by: Sharon Bachman, WNY Emerald Ash Borer Task Force (CCE Erie County)

Doors open at 6:30 PM. Presentations begin at 7:00 PM.

A Q&A will follow the presentations. Representatives of NYS Agriculture and Markets invited.

Local tree services will be available for questions and personal consultation.

**Hosted by the Town of Newstead • For more information, contact Dawn Izydorczak,
Newstead Town Clerk (542-4573), Sharon Bachman, CCE Erie County (652-5400 x150),
or Carl Klingenschmitt (759-6428).**
