Message from the Director

Dear Friends,

It is difficult to believe that it is November already. Fall is here and unfortunately winter will soon be knocking at our door. As the weather out side is changing, the Center will continue to change as we initiate new programs for your enjoyment.

If you are looking for a new activity; join our mahjong, hand and foot card game or craft group. It's a lot of fun and a great way to meet new friends. Our social activities for this month include Movie Night and our special luncheons for Veterans Day and Thanksgiving. Please plan on attending these or our other activities. **Don't forget to purchase your tickets for the Holiday Dinner Dance and the New Year's Eve Party.**

Don't forget your flu vaccination or the Health Insurance Forum on November 17th.

See you soon,

Debb

Children's Books for GARP

This holiday season we have a few choices for giving back to your community: Before we know it the winter season will be upon us and once again it would be nice to provide some new mittens, hats, gloves and scarves for those in need in our community. We are collecting new or like-new children's books for Grandparents as Reading Partners. This is a wonderful program that encourages children to become better readers. We are looking for books appropriate for Grades 1-5. Also, we will continue to accept food items for the Food Pantry.

Thank you to all who contribute.
