

The end of May has been designated as Emerald Ash Borer Awareness time. Tags like the one pictured below have been placed on selected ash trees to inform the public of the threat and to help in identifying the ash tree. Please notice these on the trees and if you have any questions or concerns you can find more information on our website at www.erie.gov/newstead and the NYS DEC website pertaining to the borer. If you have any further questions please call the town hall at 542-4573.

Help Save New York's Ash Trees!

This tree—and all New York State ash trees—could be killed by the invasive emerald ash borer beetle.

Find out how you can help

- Visit www.dec.ny.gov and search "emerald ash borer"
- Call NYS DEC at 1-866-640-0652
- Contact your county's Cornell Cooperative Extension
