Newstead Town Board Meeting- June 13, 2016

A motion was made by Supervisor Cummings at 7:40pm to go into Executive Session to discuss the termination of the employment of a particular person pursuant to Section 75 of the New York State Civil Service Law and appointment of a hearing officer to conduct a hearing pursuant to Section 75 of the New York State Civil Service Law. Seconded by Councilman Mayrose. Town Board members present were Supervisor David Cummings, Councilman Jim Mayrose, Councilman John Jendrowski, Town Attorney Nathan Neill and Town Clerk Dawn Izydorczak.

Executive Session Discussion

On May 18, 2016, a Town of Newstead employee filed a Workplace Violence Incident Report, alleging that on May 17, 2016, Town Code Enforcement Officer, Ralph Migliaccio (“Mr. Migliaccio”) violated the Town’s Workplace Violence Policy when he yelled at her in a hostile and intimidating manner, upsetting her and causing her to leave work early. The employee noted that the incident with Mr. Migliaccio arouse following her request that Mr. Migliaccio speak with a representative from a local contracting firm (Empire). On May 20, 2016, Town Supervisor, David Cummings (“Supervisor Cummings”) received an email correspondence from Paula Grimm of Empire, complaining about the “extremely rude and unprofessional manner” in which Mr. Migliaccio dealt with her on May 17, 2016.

Upon receipt of the Complaints from the town employee and the email from Ms. Grimm, Supervisor Cummings undertook an investigation. In connection with his investigation Supervisor Cummings obtained witness statements from Town employees who were present for and witnessed the incident of May 17, 2016. On May 23, 2016, Supervisor Cummings and the Town Board, consisting of Councilman James Mayrose, Councilman John Jendrowski and Councilman Joseph Dugan, also interviewed Mr. Migliaccio as part of the investigation. On May 23, 2016, Mr. Migliaccio also submitted a written statement summarizing his position with respect to the incidents of May 17, 2016.

At the conclusion of the investigation, Supervisor Cummings presented information obtained in the course of the investigation to the Town Board. Supervisor Cummings also briefed the Town Board on Mr. Migliaccio’s prior disciplinary record with respect to dealing with co-workers and members of the public in a hostile, aggressive and intimidating manner. After being presented with all of the facts, the Town Board determined that Mr. Migliaccio engaged in misconduct and/or incompetence and determined that the termination of Mr. Migliaccio’s employment was the appropriate course of action.

On June 2, 2016, Supervisor Cummings, Councilman Mayrose and the Town Attorney Nathan Neill presented Mr. Migliaccio with written notice of the charges against him and notified him that the Town intended to terminate his employment due to his own misconduct and/or incompetence as is more fully set forth in the charges (attached hereto as Exhibit A). At that time Mr. Migliaccio was also informed that effective June 2, 2016, his employment was suspended pending the completion of the termination proceedings pursuant to Section 75 of the Civil Service Law.

The June 2, 2016 notification provided to Mr. Migliaccio informed him of his right to a hearing and of his right to respond in writing to the charges preferred against him within eight days, or by June 10, 2016.

On June 7, 2016, Mr. Migliaccio hand delivered a letter to Supervisor Cummings formally requesting a hearing pursuant to Section 75 of the New York Civil Service Law. Mr. Migliaccio did not submit a written answer to the charges against him by June 10, 2016.

In light of Mr. Migliaccio’s request for a hearing, the Town Board, which is the entity with the power to appoint Code Enforcement Officers, must provide Mr. Migliaccio with a hearing pursuant to Section 75 of the New York State Civil Service Law. The Town Board can conduct this hearing itself or it can designate its power to a hearing officer to conduct the hearing and provide the Town Board with a written report and recommendation.

The Town Board discussed their options for conducting the hearing looking at the Perception of fairness and that the proceeding will be subject to review by Civil Service Commission and/or NYS Supreme Court. As a result the Town Board unanimously decided to hire a hearing officer to conduct the hearing instead of conducting the hearing themselves.
Discussion was held concerning which hearing officer to appoint and after looking at suggested individuals selected Joe Saeli, whose resume is attached, at a cost of $1,500 per day.

With no further business to discuss a motion was made to go back to open session at 7:54pm by Councilman Mayrose, seconded by Councilman Jendrowski.
