A Regular Meeting was called to order by the Newstead Town Board on Monday, August 22, 2005 at the Newstead Town Hall at 8:00PM.

Present: Gerald F. Summe, Supervisor
         Tom George- Councilman
         Harold Finger- Councilman
         Mark Decker- Councilman
         Dale Kruschke- Highway Superintendent
         Rebecca Baker- Assessor
         Christine Falkowski- Building Administrator
         Andrew Casolini- Town Engineer
         Nathan Neill- Town Attorney
         Dawn D. Izydorczak- Town Clerk
         Kathleen Lang- Deputy Town Clerk

Roll Call was taken with all board members present except Councilman Chaffee who is still in the hospital. The Supervisor reported he has visited with Scott and he is making progress.

Assessor Rebecca Baker led the pledge to the flag.

Minutes from the previous regular board meeting held on August 8, 2005 were presented for approval. A motion was made by Councilman George, seconded by Councilman Finger as presented. Carried

Communications – The Town Clerk presented the following:
Water Sampling Reports were received from Midstate Environmental Labs for Water Districts #1 & #3 with all levels being within acceptable ranges.

A fax notification from the NYS Comptrollers office was received regarding a DRAM advisory that has been issued to all NYS public entities by the Attorney General’s office. The advisory notice deals with litigation pending for a claim of damages and a request to preserve purchase records for all computer and computer equipment purchases from 1999 thru June of 2002. DRAM refers to Dynamic Random Access Memory products.

A fax transmission from the Town Board of Brant regarding their passage of a resolution of support of the Erie County Sheriff’s Patrols, but at no additional cost to the local municipalities.

A Notice of Order was received from the NYS DOT notifying the Town, the County, and the Sheriffs and State Police of the reduction of speed limit from 55 mph on Route 93 (Buell Street) from Main Road to Skyline Drive to 45 mph effective immediately.

A fax transmission from the Town Board of Alden regarding their passage of a resolution requesting support in creating a library district in their town to fund a non-town owned library.

A fax transmission from the Town Board of Elma regarding their passage of a resolution of support of the Erie County Sheriff’s Patrols, but at no additional cost to the local municipalities.

A notice from the Erie County Dept. of Environment & Planning announcing a household hazardous waste drop off on September 10, 2005 at the Honeywell Specialty Materials Co. at 20 Peabody Street in Buffalo from 9:00am – 2:00pm. Additional information can be obtained by calling 858-6800.

A motion was made by Councilman George, seconded by Councilman Finger to receive and file correspondence as presented. Carried

Work Session: Supervisor Summe reported that at the work session held August 15th the following issues were discussed: excavation & topsoil removal, WD#6 boundary issues, WD#10 issues, Water tank issues, water station placement & hook-up of Newstead Fire Hall, communication from MRB

COMMITTEE AND DEPARTMENT HEAD REPORTS

Highway –Superintendent Kruschke reported that drainage projects on Brucker and McNeeley roads are complete. The cross culvert jobs are almost complete. They will be working on the paving needed to complete the handicapped entrance ramp at the Town Hall this week. The Village of Akron striped the Newstead Library parking lot while they were doing the Village Hall lot. Supervisor Summe congratulated the Highway Department for an excellent job on the drainage and culvert projects.

Assessor –Mrs. Baker reported that one of the small claims cases has been dropped with the other case scheduled in September. She also forwarded the DRAM Notice the Town Clerk received to Ken our IT consultant.

Building Office –the following building report was presented by the Building Administrator Christine Falkowski:

- Golden Pond Estates Lot #103 Roof
- Walter Duft 11063 Clarence Center Shed
- Golden Pond Estates Lot #109 Roof
- Golden Pond Estates Lot #127 Roof
- Joseph Rotundo 5814 Barnum Addition
- Jacqueline Bald 5228 Crittenden Addition
- Charles Genovese 5835 Davison Pole barn
- Edward Seifert 7053 Draper One Family Home
- Tobias Schrock 8249 Greenbush Pipe permit
- Andy Bower 7767 Berghorn Excavation permit

A motion was made by Councilman Finger, seconded by Councilman Decker to accept and approve the Building Report as presented.

Carried

Town Clerk- Web page hits are for July-83 and current August-177. Fall newsletter is on hold as no information has been received to date for its printing. The town should know by the end of this week if our residents will be using paper ballots to vote on in the Primary election on Tuesday, September 13th. She is awaiting word from the Board of Elections on this issue. This evening she removed the signage on the doors at old town hall.

Attorney for the Town – Nothing at this time. Supervisor questioned if we have a closing date for the old town hall yet. There is no closing date scheduled at this time. The attorneys are still working on items to complete.
George- Nothing at this time

Finger- He met with Dale on some work to be done at the park pavilion and at the Denio building. They will try to schedule as soon as possible.

Decker- He reported the Bauer place on Maple Rd, which is on the unsafe building report, is being worked on. There also was a report of an abandoned bus on Meahl Road which they will send the code enforcement officer out to check.

SUPERVISOR- He received a thank you letter from the Celebration Committee and thanked them for their efforts. The Supervisor received 2 calls from 2 very credible residents reporting the sightings of a mountain lion or a very large bobcat in the town and wants the residents to be aware of these sightings and to take extra care when outside.

UNFINISHED BUSINESS
Water District #10- Town Engineer stated continuing construction on Martin, Scotland, and Bloomingdale roads. The teams will split to connect services and move down to Stage Rd soon. Funding on Phase II is underway.

Water Tank- They will be continuing work on the shaft thru October

Route 5 Zoning- The committee will meet on Wednesday morning.

Plumber’s License- on hold.

Shared Public Works Facility Committee- Councilman George stated the proposals are due August 29th and scoring sheets will be circulated to committee members to begin assessing proposals received.

NEW BUSINESS:

Proclamation for Richard Litfin:
A motion was made by Supervisor Summe, seconded by Councilman George announcing a proclamation in honor of Richard Litfin’s 50 years of service to the Akron Fire Company and proclaiming August 27, 2005 as Richard Litfin Day in the Town of Newstead.

Ayes-4 Nays- 0 Carried

Site Plan Amendment & Neg Dec- 6820 Cedar St:
A motion was made by Councilman George, seconded by Councilman Finger issuing a negative SEQR declaration on the project located at 6820 Cedar Street for a 6,475 sq. ft. parking lot expansion and approving the amended site plan per recommendation from the Planning Board.

(Resolution Attached) Ayes-4 Nays- 0 Carried

WD #1 and WD#3 Rate Increase:
A motion was made by Councilman Decker, seconded by Councilman George approving increases in WD# 1 and WD#3 billing rates due to an increase in the Village of Akron water rates.

(Resolution Attached) Ayes-4 Nays-0 Carried

Question Period- No one spoke

There being no further business to come before the board a motion was made by Councilman Finger, seconded by Councilman Decker to adjourn the meeting at 8:33 PM.

Carried

Respectfully Submitted,
Dawn D. Izydorczak, Town Clerk
