- Creating and conducting interpretive programs - nature walks, park history tours, computerized/video presentations and other means of educating the public about the Erie County Parks system;
- May help design and construct park improvements;
- May assist in grass cutting, litter and garbage removal and other light maintenance which would enhance the aesthetic appearance of the Parks;
- Application of First Aid procedures, including CPR;
- Maintaining a daily log of work activities, including encounters, ideas and future plans.

FULL PERFORMANCE KNOWLEDGE, SKILLS, ABILITIES AND PERSONAL CHARACTERISTICS:

- Good knowledge of the workings of the natural environment;
- Working knowledge of Erie County Park laws and regulations;
- Ability to promote, plan and conduct a wide variety of interpretive park programs;
- Ability to work with people of all ages;
- Ability to express oneself clearly and concisely, both orally and in writing;
- Initiative;
- Resourcefulness;
- Responsibility;
- Capable of performing the essential functions of the position with or without reasonable accommodation.

MINIMUM QUALIFICATIONS:

Completion of sixty (60) credit hours from a regionally accredited or New York State registered college or university with a major concentration in Parks and Recreation, Recreation Resource Management, Environmental Science or closely related field and one (1) year of experience working in the field of conservation, environmental science, parks or recreation, forestry or related field.

SPECIAL REQUIREMENT:
