

**MARK C. POLONCARZ  
COUNTY EXECUTIVE**

DIVISION OF PURCHASE

TO: ALL REQUISITIONERS  
FROM: Denyse Insalaco-Weatherbee, Buyer  
DATE: December 11, 2012  
SUBJECT: PAPER PRODUCTS FOR 2013  
BID NO.: 213002-004

.....  
The **Paper Products** contract for the contract period January 1, 2013 through December 31, 2013 has been awarded to the vendors listed on the attached sheet. **All** prices are firm through December 31, 2013 and will include shipping. Please make sure your department meets any vendor's minimum order requirement. In some cases a small handling charge will be added. **NO ADDITIONAL FREIGHT CHARGES OR FUEL SURCHARGES WILL BE ALLOWED.**

Your department may issue itemized purchase requisitions for these products on an as-needed basis. Blanket Purchase Orders will also be allowed, however it will then become the sole responsibility of your department to use this contract appropriately. Departments utilizing Blanket Orders can purchase **ONLY** the products listed in this bid, from the assigned vendor at the awarded price. Please do not put non contracted items on requisitions with contract items from this award. Be sure to use one requisition per vendor. You can include contract items from the paper products, janitorial and cleaning contracts on the same requisition.

Make sure you reference bid number **213002-004** on all orders. If you need products make sure a requisition is put in the system. We are trying to avoid processing purchase orders for goods that were received three months prior. If departments initiate a requisition in the system right away, they will find that in most cases the order is processed the same day and faxed to the contract vendor. This enables the contract vendor to invoice against an actual purchase order number. Vendors require purchase order numbers to invoice goods shipped against the purchase order number. By putting requisitions through the system when supplies are needed, it avoids any invoicing problems. This method helps vendors get paid in a timely manor, and helps avoid the County from getting put on hold for nonpayment of goods.
