Part II of the contract with the Liberty Company **was not extended**. This portion was for the County to drop off to the company's location.

Your department may issue a requisition on an as needed basis, or a blanket order for the year. When processing your orders, please use Material Group 962V and Purchasing Group 004. Please reference Bid No. 212107-004 on all orders.

For departments that utilize this contract, please look to see if there are any scrap tires that can be disposed of. Spring is here and this is a good way to start getting rid of scrap tires and planning on removing any surplus items and equipment.
