This RFP is not intended and shall not be construed to commit the County to pay any costs incurred in connection with any proposal or to procure or contract with any firm.

V. SCOPE OF PROFESSIONAL SERVICES REQUIRED

A. Introduction:

The purpose of this Request is to solicit applications to the Erie County Youth Bureau for 2017 Year-Round Youth Development Programs. These awards are designed to promote positive youth development and address long-term juvenile delinquency prevention within Erie County. All grants are appropriated by the Erie County Youth Bureau and Department of Social Services, and awarded to local applicants targeting ‘at risk’ youth 5-20 years of age.

B. Mission of the Erie County Youth Bureau:

The mission of the Erie County Youth Bureau is to serve youth and families through positive youth development, advocacy, delinquency prevention and intervention programs that strengthen families and communities.

C. Eligible Applicants:

Eligible applicants are local youth bureaus/recreation departments in Erie County providing services to at-risk youth in the targeted age group. Organizations not part of a unit of local government must have their own 501(c)(3) status; use of other organizations’ 501(c)(3) status as a “pass through” is not permitted. Charter schools may not apply; however, programs may take place at charter schools, provided that they are run by an eligible applicant. “Drop-in” programs are not allowed.

D. Service Categories:

Due to the limited amount of funding available, programs providing services to at-risk youth in the following categories will be prioritized for consideration:

1. Academic Enrichment/Remediation
2. Health & Wellness/Physical Activity
3. Mentoring Programs
4. Juvenile Diversion Programs/Substance Abuse Prevention
5. Runaway and Homeless Youth Programs
6. Workforce Development/College & Career Readiness

E. Targeted Youth:

“At-Risk Youth” shall be described as any Erie County youth 5-20 years of age and described as one or more of the following:

- Living within a family below 200% of federal poverty line
- At risk of becoming Persons In Need of Supervision (PINS)
- Juvenile delinquents or youth charged with committing a crime
- Victims of child abuse, domestic violence, maltreatment and/or neglect
- Exhibiting self-destructive behavior
- School dropouts
- Youth in need of safe places, caring adults &/or structured activities
- Youth with 3 or more hours of idle time per day
- Lack of parental support or positive role model
- Homeless youth or youth who has run away from home
- Considered for placement outside the home
F. Programming at the Erie County Secure Youth Detention Facility:

The Erie County Youth Bureau, located at the Secure Youth Detention Facility, 810 East Ferry Street, Buffalo, NY 14211, will also be accepting RFPs for programs in the Secure Youth Detention Facility.

- As funding for the detention facility is limited, applicants are not expected to follow the traditional Youth Development Program model. Instead, programs running for two to three hours, two to three days per week, will be acceptable.
- Scheduling for detention proposals will be handled by the Youth Bureau to fit the pre-existing schedule followed by residents and staff.
- When planning programming, the following items are not allowed in the detention facility: sharp items, metal objects, small art pieces, food, notebooks with metal binding, chemicals that may be used for art, etc.
- Detained youth are between the ages of 11-16.
- Average length of stay at the facility is 5-7 days so it is likely that program staff will see different youth from week to week.
- Due to the transient nature of the population it is encouraged that each session of a program functions as a stand-alone unit.
- Group size will not exceed 10 residents per session and facility personnel will be present at all times in order to insure safety and security but are not required to participate in program activities.
- If an application is selected to provide facility programming, agency staff will be invited to participate in an on-site facility orientation prior to the start of the program.

With questions on programming and/or additional items allowed in the detention facility, please contact Ben Hilligas, Youth Bureau Director, at 716-923-4051 or benjamin.hilligas@erie.gov. All teachers, staff, and volunteers must provide a copy of his or her New York State Child Abuse Clearance as well. If choosing to apply for a detention program, please note on the appropriate line of the cover page.

Note: Applicants applying to run a Youth Development Programming program in the Erie County Secure Youth Detention Facility may submit two distinct proposals: one for the traditional Youth Development Programming program, and one for the Detention Facility.

**Please note**: Under Physical & Emotional Health, while “Recreation Activities” (both Primetime and Youth Development Program) can be considered a component to a program, it must be a component, not an entire program. Please focus on programs that impact the prioritized area(s). The Touchstone Life Areas are:

**NYS Touchstones & Quality Youth Development System (QYDS)**

The New York State Touchstones Life Areas, Goals and Objectives, was developed by the New York State Council on Children and Families. The Touchstones framework helps identify indicators that measure progress in reaching the goal of ensuring that all children, youth and families will be healthy and have the knowledge, skills and resources to succeed in a dynamic society.

New York State Office of Children and Family Services (OCFS) have determined that programs funded through the ECYB will follow the NYS Touchstones framework. This will allow OCFS and ECYB the opportunity to collect and analyze measurable outcomes data in six (6) specific areas of youth’s lives.

**Please refer to the coding document containing this information which can be found at [http://www2.erie.gov/youthservices/](http://www2.erie.gov/youthservices/)**

Applicants must choose from the following list the Life Area that best correlates with the primary objectives of their program:

- **1ES** Economic Security
- **2PEH** Physical and Emotional Health
- **3ED** Education
- **4CVC** Citizenship/Civic Engagement
- **5FAM** Family
- **6COM** Community

Each Life Area is associated with a Goal, several Objectives, Services Opportunities and Supports (SOS) and associated performance measures. Please follow the steps listed below when making your selections and refer to the instruction and coding guide which can be downloaded at [http://www2.erie.gov/youthservices/](http://www2.erie.gov/youthservices/) and which can be found as an attachment along with this RFP document.

 ✓ Choose the Life Area which best reflects the primary focus of your program (1 selection)
 ✓ Identify the Goal associated with that Life Area (1 Goal per Life Area)
 ✓ Choose the objective which best describes the objective of your program (1-2 selections)
 ✓ Choose the Service Opportunity Support and associated performance measure which is most appropriate for your program. *When making this selection keep in mind the performance measure associated with the SOS and consider how you will collect the specified data.*
 ✓ Your program is required to report on only 1 item for **How Well** and **Better Off**.

After selecting the appropriate Life Area, Objective(s), Service Opportunity Support(s), and associated performance measure(s) please describe your strategy for collecting the information required to report on the performance chosen. (Page Limit: ½ page)
5. **Program Description & Details**: *(Page Limit: 1 page)*

6. **Program Narrative (Now Tell Us about Your Program!):** *(Page Limit: 2 pages)*

*This is your opportunity to showcase what makes your program unique and essential to positive youth development in our community.*

Please provide a detailed description of your proposed program. In addition to program elements specific to your proposal, please include information on the following components:

- How will the program serve youth in high-need and underserved neighborhoods and what specific elements of the program will target the needs of this population?
- Describe any and all partnerships and/or collaborations with other agencies/service providers/institutions that serve to create comprehensive positive youth development opportunities.
- How will the program seek to engage and partner with the surrounding community and in what ways will this engagement serve to mutually benefit and strengthen both the agency and community?

*If this is a previously funded program, please specify what is new and/or different about your program this year compared to previous years. What have you learned from previous challenges and successes?*
7. **Performance Measures:** It is important to quantifiably measure and report the performance/results of your program to determine whether or not the program is achieving the outcomes desired. Doing so will allow those responsible for program design to determine if the program is effective, or if it needs to be modified in order to have a better opportunity for success.

In your proposal, please describe how the program has been measured in the past. Include actual numbers/data for this program’s past performance (for at least the past year, if not a pilot program). Please demonstrate how data indicates young people benefit from program involvement and how data has been used to improve the program. Additionally please describe how the program will measure success in the coming program year. Keep in mind all funded programs will be required to report outcomes associated with the NYS Touchstones selected in section 4. *(Page Limit: 1 page)*

The ECYB requires that all funded agencies and local youth bureaus utilize the Youth Services Reporting Dashboard. Funded agencies and local youth bureaus will receive training on system utilization prior to the commencement of Summer Primetime programming. This dashboard will help to collect and measure the impact of each funded program.

8. **Additional Forms:** Each applicant must submit the following:

- **Board of Directors:** Provide a list of your Board of Directors including Name, Board Position, Home Address and Phone Number, Employer’s Name, Employer’s Address and Phone Number, and any Professional or Community Affiliations. In addition, please identify any youth members (under age 21).
- **IRS 501 (c)(3) Letter of Determination:** Must be current.
- **Form 990:** From most recent year (we always need a current copy on record with the ECYB).

9. **Budget:** Please complete the following budget-related questions as well as the budget forms found on the subsequent pages with as much detail as possible. Only include budget information pertaining to the program for which you are requesting funding. Please note: the Erie County Youth Bureau will not support major equipment purchases for the Youth Development Programming program such as televisions, video game systems, etc. In addition, please answer the following questions as part of your program budget narrative:

- Please list other confirmed funding sources for this program. This should include foundation grants, public/government applicants, corporations, individuals, earned income, and/or your organization’s contributions.
