

NOTICE OF INVITATION
TO SUBMIT A PROPOSAL FOR
PROFESSIONAL ENGINEERING SERVICES

Proposals are requested by the Erie County Department of Environment and Planning, Division of Sewerage Management (DEP/DSM) for engineering consultant services required for the Lackawanna WRRF- Ammonia Removal Pilot Study Project. The top rated respondent will be selected to enter into an agreement with the County of Erie for these services.

In accordance with Local Law No. 6, proposals are hereby invited for the subject project. Proposals are to be submitted in the exact format detailed in the request for proposal (RFP). Proposals will be due April 9, 2020 by 4:00 P.M. An optional pre-proposal meeting will be held in the conference room of the Southtowns Advanced Wastewater Treatment Facility, Buffalo, NY 14219 at 11:00 A.M. on March 17, 2020 for the purpose of discussing the project with prospective respondents.

The DEP/DSM emphasizes that declining to respond at any step of the procurement process prior to selection will not hinder firms from being solicited for future jobs.

To obtain a copy of the Request for Proposals (RFP) guidelines, please visit the following website on or after March 05, 2020: <http://www2.erie.gov/purchasing/index.php?q=requests-proposals-amp-construction-bids>. Alternatively, you may call (716) 858-8383 or email beth.pfalzer@erie.gov if you would like to request a hardcopy.

This invitation does not commit Erie County Sewer District No. 6, Erie County, or its DEP to accept any priced proposal, nor does it obligate Erie County for any costs associated with preparing or submitting proposals.
