The Sardinia Town Board held a Public Hearing on February 14 2013 at the Town Hall/Community Center, for the purpose of hearing comments on a Special Use Permit application by Waste Management for their proposed “Valley Fill Landfill Expansion”. The Supervisor called the hearing to order at 6:00 PM, with the Pledge to the Flag.

Supervisor Hannon stated that this is the first of two Public Hearings on this Special Use Permit, and stated that Tom Lewis is in attendance with the engineer on the project to represent Waste Management at this hearing and to answer any questions. The Supervisor stated that the Town is waiting for documentation concerning the project from the DEC, including the Supplemental Findings Statement and the Notice of Complete Application, and then there will be another Public Hearing on the application next month. She stated that the Town held an informational meeting last month on this project, and Waste Management also held an informational meeting for Town residents at its facility last Thursday to answer any questions on the proposed project.

The floor was then opened to comments from the public or Board members. There were none.

The Supervisor called three times for further comments. There being none, on a motion by Earl, seconded by Montgomery, the hearing was adjourned at 6:03 PM. Carried, 4 ayes, 1 absent, 0 noes.

Respectfully Submitted,

Town Clerk
