

PAST TO CURRENT ELECTED OFFICIALS

In the early years of Akron the position of Mayor was titled as “President”. The title of President was changed to Mayor in 1928. A debt of gratitude is owed these elected leaders in building and preserving the heritage of our community.

The Village Justice is an elected position in the Village of Akron. A brief history notes that a Justice office did not exist until 1923. It has been referred to as the “Justice of the Peace” and “Police Justice”. Today the position is referred to as the “Village Justice”.

In the past few decades the Mayor has named an “Acting Village Justice”. The Acting Village Justice has been a Town of Newstead Justice thus providing proper certification in case of an emergency during absence of the Village Justice.

Effective April 1, 2013, the Village Board of Trustees voted to abolish the position of Village Justice and therefore abolishing the Village Court. All matters of the court now go directly to the Town of Newstead Justice Court.

Listed are the Mayors, Trustees and Justices that have served the Village of Akron for more than the past century and one-half. Village elections are held on the 3rd Tuesday of March every two years. All elected terms of office are now four years.
