New Business

- Preliminary site plan: Genesee Street at former Millgrove School. Chris Contrino and Joshua Contrino discussed the preliminary plan to use the property for a landscaping business. They are currently running a business out of their home and need space to expand. They have not yet acquired the property but wanted to determine whether the Planning Board had any significant issues, which they did not. Once the property has been purchased, they will need to present a formal site plan and survey created by an engineer.

Unfinished business

- Metal building code. The next step is for Town Attorney Strong to review with Town Engineer Metzger. Once done, the results will be provided to the Planning Board. No change since last meeting.
- 5G code. The next step is for Town Attorney Strong to review with Town Engineer Metzger. Once done, the results will be provided to the Planning Board. No change since last meeting.
