From Supervisor Rick Savage

The past twelve months have been very busy in Town Government and I believe that we have accomplished a great deal. I look forward to the New Year and the challenges and opportunities it may bring to us all.

We all, at this joyous and holy time of year, reflect on what we are truly grateful for in our lives. I am grateful for the trust that you placed in me in allowing me to serve as your Supervisor for the past three years. Of course I am extremely grateful for my family members, loved ones, coworkers and friends. It is my hope that you all are able to spend time with your families and loved ones, sharing and reflecting on this most wonderful time of year. We are forever thankful for all who serve or have served our great country in the military, law enforcement, and those who are first responders. We, at the Town, wish all of you a wonderful holiday season and a safe new year.

Finally, I would like to sincerely thank each and every Town employee and elected official for their hard work and cooperation during the past year. I believe that the Town of Alden has great employees who demonstrate pride in carrying out their work, on your behalf.

Merry Christmas and a Happy, Healthy, and Prosperous New Year!
