Hamburg Town Board member Beth Farrell proposed a resolution that opposes removal or restrictions of the Skyway to vehicle use. It can be passed at Monday night’s Hamburg Town Board meeting at 7:00 PM.

*Resolution – Skyway - 6/7/21*

*Whereas, the Town of Hamburg, including its Villages of Hamburg and Blasdell, is a thriving and vital community engaged in initiatives targeting revitalization, including economic and waterfront, and*

*Whereas, given the Town of Hamburg’s location south of the City of Buffalo, the Route 5 and Skyway corridor provides an efficient transportation route and connectivity to the City of Buffalo and points beyond essential to ongoing revitalization efforts, and*

*Whereas, removal of the Skyway Bridge or restricting vehicle traffic from the bridge would result in significant hardships for the residents and businesses of Hamburg and the Southtowns,*

*Now Therefore Be It Resolved that the Hamburg Town Board affirms the Skyway Bridge as essential to the community for commerce, revitalization, access to employment, public safety, and efficient travel to points north, and opposes its removal or restrictions to vehicle use, and*

*Be It Further Resolved that the Hamburg Town Board will hold a Public Forum at its July meeting (date TBD) at 7 pm to afford the public additional opportunity to express their position on this issue.*

*Moved: Farrell*
