COMPTROLLER MYCHAJLIW STATEMENT ON BILLIONS FOR ILLEGALS

(Buffalo) – “\$2.1 billion. That is how much money Governor Cuomo is taking out of your pocket and giving to illegal aliens across New York State. This is a slap in the face to all of you struggling to pay your bills, keep your businesses open and forced to pay ridiculously high taxes. While many of you work multiple jobs and shifts to support your family, Governor Cuomo is taking more food off your table and handing it to illegal aliens. Remember, they are here illegally by definition.

\$15,600. That is how much of your tax dollars Governor Cuomo and Albany politicians are giving to an illegal alien in New York. Someone here illegally and not paying taxes. Radical progressive politicians are destroying our State, from Hamburg to Hudson Falls. We desperately need public servants who will respect taxpayers, reduce government spending and create a culture where businesses can thrive.”
