Re: Washington D.C.

Dear Mr. ~~Poloncarz~~ ^{MARK},

I am in receipt of your correspondence dated January 19th, 2021 with demonstrably false accusations concerning my whereabouts.

Your obsessive attention to where I go coincided with two announcements from the Erie County Health Department canceling COVID vaccine clinics. Rather than focusing on saving lives and providing vaccines to the elderly and sick, your delusional preoccupation is with me.

Please direct your attention to the YouTube video shared on my social media platforms on Thursday, January 21st, 2021. Based on my response to your bizarre correspondence you should be inclined to stop sending me letters.

Sincerely,

A handwritten signature in blue ink, appearing to read "Stefan I. Mychajliw, Jr.", with a long horizontal line extending to the right.

Stefan I. Mychajliw, Jr.
Erie County Comptroller

CC: Honorable Erie County Legislature
