BUFFALO, NY 14214 - (716) 961-6800

Dr. Gale R. Burstein, MD, MPH  
Commissioner of Health

## EPA Lead Safety for Renovations, Repairs, & Painting Course

The EPA **RRP RULE** requires that all renovations, repairs, & painting done in Pre-1978 housing must be done by or under the supervision of a **CERTIFIED RENOVATOR**. **This means that all LANDLORDS, PROPERTY MANAGERS, & CONTRACTORS are required to take this course.** If the Health Department did a lead-based paint investigation at a property you own or manage and you are under notice to complete lead hazard remediation, we are offering the EPA **RRP Training** class at a **reduced rate**. Upon completion of the training you will be an EPA **Certified Renovator** able to work on any Pre-1978 dwelling. Program staff will be on hand to assist in the completion of the **REQUIRED WORK PLAN**. **You may receive the Lead Safe Work Practices Paint Kit ONLY** if you are cited for Lead-Based Paint violations and have completed a work plan and received your certification from this class.

**FREE**  
Must show proof of military service

Free parking in indicated Visitor Parking Lots only. (See included map)

Lunch will be provided  
There are hands-on exercises, please wear comfortable work clothes

Registration  
Listed times are when you should arrive for registration. Class starts 1/2 hr later.
