**Site Name:** Buffalo Lakeside Commerce Park - Parcel 4

**Site No.** 915193A      **Tax Map No.** 132.19-1-4.2

**Site Location:** 1714 Fuhrmann Blvd., City of Buffalo, Erie County 14203

**Inactive Hazardous Waste Disposal Site Classification Notice**

The Inactive Hazardous Waste Disposal Site Program (the State Superfund Program) is the State's program for identifying, investigating, and cleaning up sites where the disposal of hazardous waste may present a threat to public health and/or the environment. The New York State Department of Environmental Conservation (Department) maintains a list of these sites in the Registry of Inactive Hazardous Waste Disposal Sites (the "Registry"). The site identified above, and located on a map on the reverse side of this page, was recently added to the Registry as a Class 2 site that presents a significant threat to public health and/or the environment for the following reason(s):

The site listing is for the western most portion of Parcel 4 that is vacant and consists of piles of flue ash and other fill materials. High levels of lead and lead levels failing TCLP have been documented in the flue ash piles. Access is generally unrestricted and there is evidence of trespassing and off-road vehicle usage. Groundwater is found within 1 foot of the surface and has a pH value as high as 12. The recently completed Union Ship Canal Commons Greenway Park (Parcel 3) borders Parcel 4 to the south and allows public access to the canal.

The Department will keep you informed throughout the investigation and cleanup of the site.

**If you own property adjacent to this site and are renting or leasing your property to someone else, please share this information with them. If you no longer wish to be on the contact list for this site or otherwise need to correct our records, please contact the Department's Project Manager listed below.**

**FOR MORE INFORMATION**

Additional information about this site can be found using the Department's "Environmental Site Remediation Database Search" engine which is located on the internet at:

[www.dec.ny.gov/cfm/external/derexternal/index.cfm?pageid=3](http://www.dec.ny.gov/cfm/external/derexternal/index.cfm?pageid=3)
