RFP

Jeremy,

As chair of the nine-member citizens search committee I am pleased to announce our choice of David Shenk, Boston Town Clerk and US Army Reserve Veteran.

The committee was made up of nine community members who had backgrounds in business, finance and insurance. They met five times over a one month period to conduct interviews. The Charter required the nominee to be of the same political party as the outgoing Comptroller.

David had a fine balance of business background, enthusiasm for public service and an impeccable history of personal integrity.

At the request of the Legislature, we have submitted three resumes of other finalists.

I would welcome any questions through my e-mail - [jmalldmal@aol.com](mailto:jmalldmal@aol.com).

John Malloy
