Subject: Appointment to Erie County Water Authority

I have been informed that a term for a Commissioner of the Erie County Water Authority will expire on April 27, 2012.

Pursuant to Section 1053 of the Public Authorities Law, the appointment to the Erie County Water Authority shall be made for a term of three (3) years and shall be made by the Chair of the Legislature of the County of Erie, pursuant to nominations in writing by the majority, respectively, of the legislators of each political party represented on such legislature, subject to confirmation by a majority of such legislators. All members shall continue to hold office until their successors are appointed and qualified.

In litigation regarding the procedure, the Court determined that each political party would have the opportunity if it chose to submit a nomination in writing.

Therefore, you are hereby giving notice of a expiration of a term of a Commissioner of the Erie County Water Authority, and you have an opportunity to submit a written nomination if you choose. For your information, it is anticipated that the Chair of the Legislature will make a nomination for this position at the session scheduled for March 29, 2012.

Thank you.
