Buffalo, NY 14202

Dear Deputy County Executive Tobe,

I just wanted to take a moment to thank you for joining us at the February 29, 2012 meeting of the Community Enrichment Committee. Your presentation was very insightful and will play an essential role in the decision process for our body.

As the Chair of the Erie County Legislature's Community Enrichment Committee, I'd like to represent the Legislature on the Erie Community College Task Force that you had mentioned was being formed. With my years in county government as well as my dedication to the college's success, I believe I can play a fundamental role in achieving the future goals of Erie Community College.

Again, I want to thank you for taking time out of your busy schedule to join us and also look forward to working with you throughout this entire process.

Sincerely,

Lynn Marinelli
