#### **MEMORANDUM**

TO: Erie County Legislature

FROM: Robert W. Keating, Director of Budget and Management

RE: 2011 Year-End Budget Balancing Amendments and Designations

DATE: April 30, 2012

## **SUMMARY**

The attached resolution authorizes budget balancing amendments that are necessary to close the County's books and prepare financial statements for review by the County's independent auditors for the 2011 fiscal year.

## FISCAL IMPLICATIONS

The resolution requires no additional funding. Appropriation accounts with available balances are used to transfer budget to accounts where budget has been exceeded. Revenue budget increases are included where appropriate. Funding for all re-appropriation is available within each associated department.

It is anticipated that Erie County will end fiscal year 2011 with approximately a \$16.7 million Fund 110 surplus after approval of this resolution.

## **BACKGROUND INFORMATION**

Numerous fiscal issues previously identified during 2011, especially within personal service accounts, require budgetary "clean-up" adjustments. This resolution requests authorization to decrease appropriations where available, in order to increase appropriations currently indicating a budget shortfall.

The budget adjustments were identified in cooperation with the Erie County Comptroller's Office and in consultation with departmental accountants based on year-end financial reports. Approval of this resolution will facilitate the year-end closing activity of the Comptroller's Office and will allow for the timely completion of 2011 financial statements by our independent auditors. These adjustments do not in any way increase spending.

Also included in the resolution is authorization to reappropriate 2011 funds into 2012 so that they may be designated for anticipated expense. These items include funding for the County Attorney's Risk Retention Fund in the amount of \$5,000,000, \$105,700 for Buildings and Grounds to maintain and repair county facilities, \$20,590 for equipment in the Office of the County Clerk Auto Bureau, \$150,000 for the St. John Community Center development in the Department of Environment and Planning along with \$14,405 for hazardous waste collection, and \$224,760 for the Department of Social Services for various community activities.

In addition, the County will designate 2011 funds in the amount of \$7,500,000 for Erie Community College building construction.

# **CONSEQUENCES OF A NEGATIVE ACTION**

If authorization is not granted, the completion of the 2011 financial statements for the County will be delayed.

# **STEPS FOLLOWING APPROVAL**

The Division of Budget and Management will process all required budget amendments.

# A RESOLUTION SUBMITTED BY: DIVISION OF BUDGET AND MANAGEMENT

RE:

2011 Year-End Budget Balancing Amendments and Designations

**WHEREAS**, year-end budget balancing amendments are necessary to close the County's books and prepare financial statements for review by the County's independent auditors for the 2011 fiscal year, and

**WHEREAS**, amendments were identified in cooperation with the Erie County Comptroller's Office and in consultation with departmental accountants based on year-end financial reports, and

**WHEREAS**, 2011 funding within the County Attorney's Risk Retention Fund, Buildings and Grounds, the Office of the County Clerk Auto Bureau, the Department of Environment and Planning, and for the Department of Social Services, is designated for reappropriation into 2012, and

**WHEREAS**, also included is a 2011 designation of funds for Erie Community College Building construction.

## NOW, THEREFORE, BE IT

**RESOLVED**, that the Director of the Division of Budget and Management is hereby authorized to adjust the 2011 Budget in order to facilitate the completion of 2011 financial statements, based on the following schedule:
