ACCOMPANYING MEMORANDUM

RE: Erie County Sheriff's Office
FY2010 Bomb Squad Grant

I. Summary of Recommended Action

The attached resolution requests authorization for the County of Erie to enter into contract and receive funding in the amount of \$81,250 from the New York State Division of Homeland Security and Emergency Services to be allocated to the Weapons and Ordnance Division of the Erie County Sheriff's Office.

II. Fiscal Implications of Proposal

No impact on County Tax Dollars. Funds will provide for specialized training and equipment to enhance the explosive device operations capabilities of the Erie County Sheriff's Office Bomb Squad.

III. Reasons for Recommendation

Erie County must remain committed to Homeland Security and continue to protect the residents of New York State from terrorist attacks. Use of these funds will allow the Sheriff's Office to maintain a professionally trained and equipped bomb squad. The equipment purchased will further enhance the explosive device response capabilities of the unit.

IV. Consequence of Negative Action

The County will forfeit \$81,250 in funding that would allow the Sheriff's Office to purchase specialized equipment that they otherwise would be unable to obtain and to receive the advanced training required to remain certified bomb technicians. This equipment and training is vital to the protection of Erie County residents from terrorist attacks involving explosive devices.

V. Steps Following Approval of Measure

Certified copies of this resolution will be forwarded to the County Executive, the County Attorney, the Division of Budget and Management, the Erie County Comptroller's Office and the Erie County Sheriff's Office.
