MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Department of Senior Services
Re: Revise AAATRAN1112 Grant
Date: April 12, 2012

SUMMARY

Approve the attached resolution to revise the State Transportation (AAATRAN) grant budget and related contract for the period April 1, 2011 to March 31, 2012.

FISCAL IMPLICATIONS

The AAATRAN grant is 100% state funded.

REASONS FOR RECOMENDATION

The grant is designed to supplement transportation operating costs, one of which is a contract with the Center for Transportation Excellence to provide wheelchair and other rides for frail elderly individuals ineligible for other transportation.

BACKGROUND INFORMATION

The number of CTE rides increased significantly in the January through March 2012 period and as a result the current contract amount is not sufficient to cover the cost of the trips. The Department desires to increase the amount of the CTE contract in AAATRAN1112 grant to cover the cost of the trips.

CONSEQUENCES OF NEGATIVE ACTION

The Department would be unable to cover all transportation costs provided by CTE.

STEPS FOLLOWING APPROVAL

The Department will revise the AAATRAN1112 budget and increase the related contract with CTE.
