Dear Erie County Legislators,

I would like to thank you for the recognition bestowed on the American Legion Riders, Post #567 for our work with local veterans during your March 19, 2012 meeting. Our organization has a proud history of supporting local veterans throughout the year including monthly visits to veterans in area nursing homes, an annual ride and picnic for the Veterans Home in Batavia and a Christmas Gift Bag Program for veterans in local nursing homes to name a few.

I look forward to sharing the award and with our membership during our April meeting.

Again thank you for your recognition.

Thank you,

John Post – President
