Dear Mr. Graber:

In accordance with Section 303-a of the Agriculture and Markets Law, the Erie County Legislature submitted to me, by Resolution No. 1-2 of 2012, a district review plan to continue Erie County Agricultural District No. 14 without modification.

Following review of the plan and its related documentation, I find that the plan is eligible for district continuation.

In accordance with the statutory procedures for certification of agricultural district review plans, the Commissioner of Environmental Conservation has determined that the District is consistent with state environmental plans, policies and objectives.

In consideration of my review of the plan and the determination of the Commissioner of Environmental Conservation, I hereby certify that:

- A. The District is eligible for District continuation without modification.
- B. The District consists predominantly of viable agricultural land.
- C. The plan of the District continuation without modification is feasible.
- D. The District will serve the public interest by assisting in maintaining a viable agricultural industry within the District and the State.

The County is required to complete the next review of Agricultural District No. 14 on or before April 9, 2020.

Signed and Sealed at the Town of Colonie,
County of Albany, New York,
this 14th day of April 2012.
