### SUMMARY

This resolution is seeking your honorable body's authorization for the County Executive to enter into an Agreement Amendment with the engineering firm of Buffalo Engineering P.C. Mechanical/Electrical Engineers for providing engineering services to provide the design and construction documents for the Erie Community College North Campus, Air Conditioning for K&B Buildings.

### FISCAL IMPLICATIONS

Funds for the project are currently available from the approved and adopted 2011 budget. The SAP project account is delineated as such: E.11005 - Erie Community College Cooling System

### REASON FOR RECOMMENDATION

Most classes are held in buildings K&B during the summer months. The buildings are not all air conditioned. This project will improve the environment for the students and faculty.

### BACKGROUND INFORMATION

The Consultant is to prepare plans and specifications in accordance with all codes and regulations.

### CONSEQUENCES OF NEGATIVE ACTION

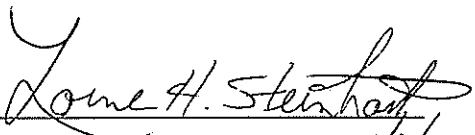

Without the engineering services, the project cannot be completed.

## STEPS FOLLOWING APPROVAL

The County Executive will enter into an Agreement Amendment with the engineering firm of Buffalo Engineering P.C. Mechanical/Electrical Engineers for providing engineering services to provide the design and construction documents so work can commence.

## COMPTROLLER'S OFFICE REVIEW

The proposed legislation has been reviewed by the Comptroller's Office and is related to an authorized capital project for which there are sufficient appropriations for the action proposed.
