Re: Document Regarding Bond Rating

Dear Mr. Shenk:

At the Erie County Legislature's Finance & Management Committee meeting on June 14, 2012, you cited page two of a document as the basis of your assertion that Erie County needs to re-enter the bond market in order to increase its bond rating. You did not provide copies of the document to anyone present or offer anyone the opportunity to view the document personally at the meeting.

I would appreciate it if you would provide this document in its entirety to me so that I can review it and analyze it myself.

If you have any questions regarding this request, please do not hesitate to contact me. Thank you, in advance, for your consideration on this matter.

Sincerely,

A handwritten signature in blue ink that reads "Joseph C. Lorigo".

Erie County Legislator – District 10
