Dear John:

The Erie County Comptroller's Office is commencing a review of the Eden-Evans Center Road project for the period July 1, 2011 through August 31, 2012.

At a minimum, our review will include identifying the vendors selected, the type of project (maintenance vs. capital improvement), the overall cost of the project and the source(s) of funding. We may review other related areas as deemed necessary and appropriate.

We would like to hold an entrance meeting the week of September 17, 2012. Our office will contact you shortly to schedule a specific date and time for this meeting. Should your office have any questions, please contact Mark Adamchick at 858-8967.

Thank you for your cooperation.
