## **MEMORANDUM**

**To:** Honorable Members of the Erie County Legislature  
**From:** Division of Information and Support Services  
**Re:** Personnel Adjustment – Senior Offset Machine Operator  
Division of Information and Support Services  
**Date:** September 16, 2012

---

### **SUMMARY**

The Erie County Division of Information and Support Services is requesting authorization to delete one vacant full time Laborer position and to add one part time Senior Offset Machine Operator position to more effectively provide print and copy services to Erie County government.

### **FISCAL IMPLICATIONS**

This request will result in a cost savings to Erie County.

The vacant full time Laborer position (the prior incumbent retired) is budgeted at Job Group 3, Step B (annual salary \$32,247). The part time Senior Offset Machine Operator title is Job Group 5, Step 0 (annual salary \$12,420).

In addition, the Senior Offset Machine Operator position can be utilized to more effectively reduce overtime expense in the Division of Information and Support Services' Print Shop.

### **REASONS FOR RECOMMENDATION**

A full time Print Shop Laborer was on sick leave for the entirety of 2012 and has subsequently retired leaving a gap requiring overtime expense. The Print Shop has been unable to meet demand for print and copy services due to the vacancy in the position. The needs within the Print Shop would be better served by a part time Senior Offset Machine Operator.

### **CONSEQUENCES OF NEGATIVE ACTION**

The Division of Information and Support Services will continue to accrue overtime expense for print and copy services and will have difficulty meeting demand.

### **STEPS FOLLOWING APPROVAL**

The Division of Information and Support Services will work with the Division of Budget and Management and Department of Personnel to implement this request.
