Re: Sheridan Park, Inc.
Our File No. 11-2289

Dear Mr. Graber:

This firm represents Sheridan Park, Inc. Sheridan Park is a cemetery corporation duly organized pursuant to the Not for Profit Corporation law of New York. Sheridan Park has operated a crematory on Sheridan Drive in the Town of Tonawanda for over 20 years.

Recently, Sheridan Park, Inc. was approached by the New York State Attorney General's Office with a request that they consider relocating the crematory to a less densely populated area. The request was prompted by air quality issues raised by neighbors of the current location. Although Sheridan Park denies that the crematory is causing any air quality issues, it agreed to consider relocating.

Sheridan Park, Inc. has identified a potential site to relocate the crematory. A description of the real property and aerials showing the current location and proposed location are attached. The new crematory will have similar facilities as currently existing for the convenience and comfort of the families who make use of the crematory.

Pursuant to Article 15 of the New York Not for Profit Corporations Law, §1506(c) a cemetery corporation shall not take by "*deed, devise or otherwise any land in the counties of ... Erie for cemetery purposes, or set apart any ground therefor in any of such counties,*

unless the consent of the board of supervisors or legislative body thereof... be first obtained"

Sheridan Park requests that the Erie County Legislature consider this application for permission to move the crematory to the new location. The law requires that before the County Legislature approves such request, a public hearing on the request must be held and that the hearing be publicized for six (6) weeks.

Sheridan Park, Inc. is also making the required application pursuant to the law, rules and regulations governing the New York State Cemetery Board to request that the Cemetery Board authorize the new crematory location. Any approval from that body would be contingent upon approval by the County of Erie as well as any local zoning or building permit requirements.

Your assistance in setting the required public hearing and considering this application is appreciated.

Very truly yours,

THE KNOER GROUP, PLLC

s/ Robert E. Knoer
