Robert M. Graber
Clerk of the Erie County Legislature
95 Franklin Street
4th Floor
Buffalo, NY 14202

Dear Mr. Graber,

This letter and the supporting documentation represent our final report as required by our contract with Erie County dated September 15, 2011 for our \$10,000 capital project grant.

The grant was spent on supplies, fees and labor required rebuild our stage (documentation is attached). Due to the seasonal nature of our program, the work commenced March 2012 and was completed June 2012. The total cost of the stage rebuild was \$10,832.64. There are no remaining grant funds.

Because our stage was deteriorated and posed safety concerns, this grant was critical to our ability to continue to present *free*, professional Shakespeare theatre in beautiful Delaware Park. We thank you once again for your support!

If you need any further information or have any questions, please contact me anytime.

Sincerely,

Kristen Pope
