(3.) Betty Grant, Chairman of the Erie County Legislature

Dear Chairman Thomas Loughran,

I am requesting an opportunity to appear on the agenda of the next meeting of the Economic Development Committee.

The purpose of my request is to present the Council with an important update on the proposed plan for construction of a new, mixed-used, commercial sports, entertainment and cultural complex within the city of Buffalo.

Since my last presentation to the Council this past April, there has been significant progress on advancing such a plan and I would like to present the committee with a preliminary Master Site proposal for their consideration.

A first class Development Team has been organized and I will be presenting details of the proposed development, financial plan and economic impact projections.

Sincerely,

Pat Freeman

Betty Grant Chairman of the Erie County Legislature
