MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Health Department
Re: Authorization to Enter into Contract with Diane SanFilippo, M.D.
Date: October 15, 2012

SUMMARY

The purpose of this resolution is to authorize entering into a contract for Cancer Services reimbursement from multiple sources with Diane SanFilippo, M.D., for the provision of eligible clinical services during the time period 4/1/12 through 12/31/12. The provision of clinical services is based upon New York State Department of Health assigned rates for the Partners for Prevention Cancer Services Program of Erie County.

FISCAL IMPLICATIONS

This will be funded through multiple funding sources including but not limited to the Cancer Services Program of Erie County, Clinical Services, Susan G. Komen for the Cure and Breast and Cervical Cancer Early Detection Program.

REASONS FOR RECOMMENDATION

To provide services to un- and under insured persons in Erie County.

BACKGROUND INFORMATION

Provision of cancer screening services has proven to reduce the long term costs associated with positive cancer results identified at a later stage.

In 2011 new processes were developed to formalize agreements with Cancer Services Providers. Following numerous conversations involving the county attorney's office, Comptrollers, ECDOH accounting and program management a contract structure/template was developed for vendors to sign to be able to be paid for services.

Current registered provider names were submitted to be included in the resolution pages of the 2012 budget book. In the interim, between budget years, Diane Sanfillipo, MD joined the provider group, was assigned a site # by NYSDOH, and a contract was initiated to allow us to pay her for services. The funding year for the grant from NYSDOH is 4/1/12 – 3/31/13. In order to provide continuity of services for patients who potentially may have cancer we are asking that this contract be signed with service reimbursement retroactive to 4/1/12.

CONSEQUENCES OF NEGATIVE ACTION

We will be unable to provide these life altering measures.

STEPS FOLLOWING APPROVAL

We will follow appropriate steps necessary to enter into the contract.
