Dear Honorable Legislators,

Sergio Neglia

I would like to express Ballet Artists of WNY's (Neglia Ballet) sincere thanks to Erie County Executive, Mark Poloncarz, for his generous recommendation of \$12,000 in the proposed 2013 budget. His resolve to support and grow the Erie County arts and cultural community is recognized and enthusiastically praised by this very community we are proud to be a part of.

Heidi Halt

As you consider the proposed 2013 arts and cultural budget allocations, we ask that you clock-in this letter. We very much look forward to the scheduling of the budget hearing, as we will attend to provide testimony on behalf of Neglia Ballet.
