**Re: Angola/Collins/East Concord Highway Maintenance Facilities
2012 Oil/Water Separator Improvements**

Dear Honorable Members:

On September 12, 2012 the Department of Public Works received bids for the Angola/Collins/East Concord Highway Maintenance Facilities – Oil/Water Separator Improvements project.

This resolution is requesting authorization to allow the County Executive to enter into an agreement with the lowest responsible bidder so the work can begin. Attached is a copy of the bid tabulations for your reference.

Should your Honorable Body require any further information, I encourage you to contact Commissioner John C. Loffredo of the Department of Public Works. Thank you for your consideration on this matter.

Sincerely,

Mark C. Poloncarz, Esq.
Erie County Executive

MEMORANDUM

TO: Honorable Members of the Erie County Legislature
FROM: Department of Public Works
RE: Angola/Collins/East Concord Highway Maintenance Facilities
2012 Oil/Water Separator Improvements
DATE: November 7, 2012

SUMMARY

The Building Code requires all highway facilities to have oil/water separators installed in all discharge drainage lines which are latent with oil and grease petroleum products.

FISCAL IMPLICATIONS

Funds are currently available from the approved 2012, as amended capital budget, Project A.12003-2012-Countywide Code & Environmental Compliance.

REASONS FOR RECOMMENDATION

Currently the Angola, Collins and East Concord Highway Maintenance Facilities do not have oil/water separators.

BACKGROUND INFORMATION

The facilities do not meet the New York State Building Code Requirements.

CONSEQUENCES OF NEGATIVE ACTION

Oil and grease petroleum products will continue to contaminate drain lines and discharge points. The County will continue to be in violation of NYS Building code & EPA requirements.

STEPS FOLLOWING APPROVAL

The County Executive will enter into an agreement with the lowest responsible bidder so the work can proceed.

COMPTROLLER'S REVIEW

The proposed legislation has been reviewed by the Comptroller's Office and is related to an authorized capital project for which there are sufficient appropriations for the action proposed.
