**MARK C. POLONCARZ**

COUNTY EXECUTIVE

July 17, 2020

Erie County Legislature  
92 Franklin Street – 4<sup>th</sup> Floor  
Buffalo, New York 14202

**RE: Overtime**

Dear Chair Baskin:

Per your request the attached documents will serve to provide examples of the overwhelming amount of work Commissioner of Health Dr. Gale Burstein and Commissioner of Homeland Security and Emergency Services Daniel Neaverth Jr. have done since the beginning of the COVID-19 outbreak in Erie County. Included in this packet are weekly calendars for both Commissioners, along with the records of their time swipes for work done in the office, and a sample Incident Action Plan (IAP) which shows the operational period as well as the amount of planning and work that goes into managing an incident such as this. Although these documents do not begin to fully represent the amount of time, dedication, and leadership that our team put into managing this crisis it will paint a clear picture of the efforts put in.

Should your Honorable Body require further information, I encourage you to contact Commissioner Burstein or Commissioner Neaverth directly. Thank you for your consideration on this matter.

Sincerely yours,

Mark C. Poloncarz, Esq.  
Erie County Executive

# SAFETY MESSAGE / PLAN (ICS 208)

1. Incident Name <b>COVID-19</b>	2. Operational Period	Date From: <b>04/14/2020</b> Time From: 08:00	Date To: <b>04/14/20</b> Time To: 20:00
-------------------------------------	-----------------------	--	--

3. Safety Message / Safety Plan / Site Safety Plan:

## GENERAL SAFETY PRECAUTIONS:

- If you are sick, stay home. Do not risk infecting co-workers. Contact your supervisor immediately.
- Practice Social Distancing to the extent possible (at least six feet)
- Wash hands regularly or use alcohol (>60%) based hand sanitizer. Avoid touching your face.
- Keep your work area clean. Disinfect regularly
- Persons appearing symptomatic should be provided a procedure mask and instructed to wear it until cleared.
- Utilize Proper PPE for your assignment and circumstances (see ICS 204 for your unit for specific instructions)
- When off duty, avoid exposure to crowds or areas where people gather in close proximity (eg: elevators, vestibules, cashier lines, etc.)
- When shopping, etc. is necessary, practice social distancing, disinfect shopping carts, carry and use hand sanitizer often, be careful of touch screens, ATM buttons, etc. avoid touching your face.

## Amherst Task Force (TRAFFIC SAFETY):

- Stay Actively Alert when standing in or near traffic.,
- Wear DOT approved Safety vests or Bright colored gowns
- Ensure adequate lighting during low light operations
- Practice L.C.E.S. (Lookouts, Communication, Escape Route, Safety Zones).

- L - Lookouts: Always have at least one lookout actively watching you and the traffic around you.
- C - Communication: Ensure that you and your lookout(s) are coordinating activities and communicating dangers
- E - Escape Routes: Identify escape routes and communicate them to everyone on the post
- S - Safety Zones: Identify or create safety zones (preferably with a barrier). Plan escape routes accordingly.

**NEW! SCREENING PROCESS (Effective 4/1/2020)** All persons entering County buildings will be screened for COVID-19 symptoms using the following algorithm **BEFORE entering**:

1. All persons will be asked by County Security: "Are you feeling well today?"
  - a. Any fever?
  - b. Any cough or weakness or tiredness?
2. If the person answers yes to any of these questions the person may be refused entry (depending on the reason of cough or tiredness) into the Building and escorted to the closest door to exit the building.
3. If any person, in the opinion of building security personnel or Sheriff's deputy or supervisor appears sick, e.g. pale, sweaty, shivering, weak, or disoriented, that person should be refused entry to the building and escorted to the closest door to exit the building.
4. All surfaces in the lobby and throughout the Building will continue to be cleaned and sanitized in accordance with existing Standard Operating Procedure.
5. **ALL** employees entering the Building will be issued a surgical procedure mask to wear for the duration of their time in the Building.
6. Dispose of procedure mask after second use or when the mask has become soiled or tattered beyond use.
7. Use of personal cloth masks is approved, as long as CDC guidance of washing the mask is followed.
8. Mask should be stored in a paper bag between uses (Never use a plastic or zip lock type)

Refer all questions regarding this policy to your Department Head.
