EXTENSION OF LOCAL EMERGENCY ORDER

WHEREAS, on March 15, 2020, in response to the COVID-19 pandemic, I declared a State of Emergency within the County of Erie; and

WHEREAS, on March 7, 2020, Andrew M. Cuomo, Governor of the State of New York issued Executive Order Number 202, declaring a State Disaster Emergency for the entire State of New York; and

WHEREAS, the novel coronavirus which causes coronavirus disease 2019 (“COVID-19”) spreads readily from person-to-person; and

WHEREAS, on May 13, 2021, the Center for Disease Control and Prevention (CDC) updated their recommendations for wearing masks or cloth face coverings

which cover the nose and mouth based on the vaccination status of individuals; and

WHEREAS, the CDC considers a person to be “fully vaccinated” against COVID-19 two weeks after they receive the second dose in a two-dose series vaccine or two weeks after they receive a one-dose vaccine; and

WHEREAS, pursuant to the May 13, 2021 CDC recommendations, people who are fully vaccinated against COVID-19 no longer needed to wear a mask or physically distance in any setting, except where required by federal, state, local, tribal, or territorial laws, rules, and regulations; and

WHEREAS, on June 14, 2021 I issued Local Emergency Order 1.11 which, *inter alia*, provides that fully vaccinated Erie County employees, fee-for-service workers, interns and volunteers who provide proof of vaccination will no longer be required to wear a mask or face covering while in a building or facility owned or operated by Erie County; and

WHEREAS, on July 27, 2021, the CDC further updated their recommendations for wearing masks or cloth face coverings for fully vaccinated individuals based on new evidence indicating that some fully vaccinated individuals, infected with the Delta Variant of COVID-19 after vaccination, may be contagious and able to spread the virus to others; and

WHEREAS, pursuant to the July 27, 2021 CDC recommendations, people who are fully vaccinated against COVID-19 should wear a mask or cloth face covering while in public indoor settings in areas of substantial or high transmission; and

WHEREAS, the CDC has released a real time map which designates high, substantial, moderate, and low transmission areas and can be broken down by county; and

WHEREAS, Erie County is currently designated by the CDC as a moderate transmission area allowing for the provisions of Local Emergency Order 1.11 to remain in effect; and

WHEREAS, continuation of governmental functions and the ability to provide essential services to the residents of Erie County is dependent on maintaining a healthy workforce such that, if Erie County meets the CDC definition of a substantial or high transmission area, the July 27, 2021 CDC masking recommendations should be implemented.

NOW THEREFORE, I, Mark C. Poloncarz, the Chief Executive of the County of Erie, New York, by virtue of the authority vested in me by Section 24(1) of New York State Executive Law do hereby:

- **Further extend the Local Emergency Order issued under my hand on July 29, 2021.**

This local emergency order extension shall take effect at 10:00 AM, on November 16, 2021 and shall remain in effect for five days or until removed by order of the Chief Executive. This order may also be renewed in five (5) day increments.
