Re: Follow Up to our earlier meeting on October 5th

Dear Mr. Wojtaszek:

I enjoyed meeting with you on October 5th. At that time, you promised to provide a number of pieces of information to us in a timely fashion. I know that you have been corresponding with my Deputy, Dr. Timothy Callan, since our meeting and that you have provided some of the requested information. Tim informs me, though, that we are still waiting on a number of important items.

The ones in which I am most interested in pertain to board member benefits. Specifically, I am looking for the following:

1. The total annual cost for health/dental/vision insurance for Directors and retired Directors, as well as the number of each receiving these benefits.
2. The requirements (years of service, etc.) for retired Directors to receive such benefits.

Although I am interested in all the information promised us, I would appreciate it if you would prioritize the above. I look forward to hearing from you soon.

Thank you in advance for your anticipated cooperation.

Sincerely,

Kevin R. Hardwick, Ph.D.
