Hunting license revocations	0

County Participation

ECL 11-0935(2) defines eligible areas as: “a county that has passed a local law authorizing participation in the pilot program and has notified the department of such participation, however, that the following counties: Westchester; Richmond; Bronx; New York; Kings; Queens; Nassau; and Suffolk shall not be deemed to be eligible.” Thus, 54 of the 62 New York State counties were eligible to participate in the pilot program. Of the 54 eligible counties, only Erie and Rockland county did not pass a local law to allow 12- and 13-year-olds to hunt deer with a firearm or crossbow.

³ Portions of Albany and Monroe counties were excluded by state laws (ECL 11-0907(5)(a) and 11-0907(7)(b)) that restrict deer hunting in those areas to use of longbows only.

Recommendations

As evidenced in this report, it is clear that 12- and 13-year-old hunters can safely and successfully hunt deer with a firearm or crossbow and should be authorized to retain this important opportunity. In order to continue to cultivate the next generation of safe and responsible hunters and capitalize on the success of this program, DEC provides the following recommendations to expand youth hunting opportunities in New York:

- 1- **Make permanent the authorization for 12- and 13-year-old hunters to hunt deer with a firearm and crossbow.** We assessed participation and harvest by junior big game hunters through a post-season survey and asked about their level of satisfaction with their big game hunting opportunities in 2021. More than 9,800 young hunters (aged 12 and 13), representing approximately 9,500 families were eligible to hunt deer with a firearm or crossbow in 2021. These hunters were safe and successful, and satisfaction levels were extremely high. 85% of these young hunters and 89% of their adult mentors reported being moderately or greatly satisfied with their youth big game hunting experience this past year. Existing state law permanently allows hunters aged 12 and 13 to hunt small game with a firearm or long bow and big game with a long bow, when properly supervised. Establishing the same permanent provisions for 12- and 13-year-old hunters to hunt big game with a firearm will ensure that 12-year-olds can continue to hunt big game when they are 13 and that younger siblings have the same opportunity when they turn 12.
- 2- **Allow 12- and 13-year-old hunters to also hunt black bear with a firearm and crossbow.** Youths aged 12 and 13 have been legally able to hunt black bears with a longbow in New York since 2011 and have done so without incident. Hunting black bear with a longbow is unquestionably more challenging than hunting black bear with a firearm. Nonetheless, 12- and 13-year-old hunters have routinely demonstrated that they can safely and successfully harvest a black bear with a longbow. These same hunters, and all 12- and 13-year-old hunters, should be given the opportunity to also hunt black bear with firearms and crossbows.
- 3- **Extend the authorization for 12- and 13-year-old hunters to hunt deer with a firearm or crossbow to all of New York State (subject to other provisions of ECL) and remove the requirement for counties to pass a local law opting-in.** Of all the eligible counties in New York, only Erie and Rockland Counties did not pass a local law authorizing participation in the pilot program as required by 11-0935. However, in both of these counties, hunters aged 14-years or older can hunt deer and bear with firearms and crossbows. Similarly, Westchester and Suffolk Counties were specifically excluded from the provisions of 11-0935 despite an existing firearms season for deer in January in Suffolk County and provisions in 11-0903(7) authorizing the same potential opportunity in Westchester County. Young hunters in Erie, Rockland, Suffolk, and Westchester counties should not be forced to hunt elsewhere and should be given opportunity to hunt in the same locations and in the same manner as their peers, older siblings, and other family members.
