- 3. This claim is founded in negligence, and is for personal injuries sustained by the infant herein.
- 4. This is a claim for money damages for personal injuries sustained by the infant when said infant was caused to sustain sexual harassment, sexual abuse and violence by or at the direction of respondents, their agents, servants and employees while said infant was a resident of the Erie County Youth Services Center

located at 810 East Ferry Street, Buffalo, New York, which facility is under the possession, custody, control and/or ownership of the respondents herein.

- 5. Upon information and belief, the sexual harassment, sexual abuse, rape and violence by respondents, its agents, servants and employees, and in particular, respondent JANE DOE, a/k/a TONI B came to the knowledge of the claimants prior to, on and after August 25, 2022.
- G. The nature and basis for this claim is for damages resulting from upon information and belief, but not limited to, the sexual harassment, sexual abuse, violence and rape by respondents, its agents, servants and employees, began when the infant herein was approximately 16 years of age while he was a resident of the Erie County Youth Services Center in Buffalo, New York while said infant was in the care, custody and control of the respondents, its agents, servants and employees including, and in particular, respondent JANE DOE, a/k/a TONI B. That upon information and belief, said behavior included, but is not limited to, grooming, undue and unwarranted touching, engaging in unlawful sexual intercourse of a minor child and forcefully committing such acts while the child was in the care, custody and control of the respondents herein.

Upon information and belief, said infant claimant was injured as a result of, without limitation, the acts of respondents and, in particular, respondent JANE DOE, a/k/a TONI B; and the negligent acts of the remaining respondents in the want of proper training and oversight of the employees at the Erie County Youth Services Center; the lack of adequate safeguards for the protection of the children

under their care while residents of the Erie County Youth Services Center; and further that the respondents were negligent, careless and reckless in failing to properly, adequately and safely maintain the aforesaid premises; failed to properly and adequately supervise the staff of the Erie County Youth Services Center; in failing to take the necessary steps to properly safeguard the children housed at the Erie County Youth Services Center, and to control the actions of the staff and, in particular, respondent Jane Doe; in allowing said infant to be "groomed" by allowing said respondents, its agents, servants and employees and, in particular, respondent Jane Doe, to act as counselors, befriending said infant to such a degree that respondents, its agents, servants and employees and, in particular, respondent dangerous condition to exist, namely, undue and unwarranted sexual harassment,, sexual abuse and rape of the infant herein; and failing to take the necessary steps and make the necessary observations which, if taken or made, would have avoided the said occurrences; in failing to address the matter to adequately provide for the safety of the infant herein; and that the respondents, their agents, servants and/or employees were otherwise negligent.

Further, respondents had physical custody of the infant herein both before, during and after the sexual harassment, sexual abuse and rape of the infant.

Respondents were *in loco parentis* and owed the infant herein a duty of care, which respondents beached when they allowed the infant to be in contact with the agents, servants and employees of respondents, and in particular, respondent JANE DOE, a/k/a TONI B.

Respondents, through the agents, servants and employees, and in particular, respondent JANE DOE, a/k/a TONI B, had reasonable cause to suspect that the infant herein was being abused and/or maltreated by the agents, servants and employees of the respondents, and in particular, respondent JANE DOE, a/k/a TONI B.

Upon information and belief, respondents, through their agents, servants and employees, knowingly and willfully failed to report the suspected sexual harassment, sexual abuse and rape to anyone, including the police or Child Protective Services.

Upon information and belief, respondents did not provide their employees with written information on reporting requirements.

Respondents failed to follow the policies of required reporting including, but not limited to, New York Consolidated Laws, Social Services Law § 413.

Respondents are liable for the failure to report pursuant to § 420 of the New York Consolidated Laws, Social Services Law.

The knowing and willful failure of the respondents, through their inaction, to report the sexual harassment, sexual abuse and rape and maltreatment of the infant herein was a proximate cause of the claimant and the infant's damages.

During the time period as herein above set forth, respondents, their agents, servants and employees, allowed the agents, servants and employees of the respondents, and in particular, respondent JANE DOE, a/k/a TONI B, unlimited and unrestricted access to the infant herein and willfully and/or intentionally ignored

suspicious behavior and/or complaints against the agents, servants and employees of the respondents, and in particular, respondent JANE DOE, a/k/a TONI B of sexual abuse, sexual harassment, rape and violence.

That during the time period referenced above, respondents willfully and/or intentionally ignored the infant's safety by requiring the infant to be under the supervision of the respondents, their agents, servants and/or employees, and in particular, respondent JANE DOE, a/k/a TONI B by himself before, during and after counseling sessions, and respondents were further indifferent to the risk of sexual harassment and violence posed to the infant herein by being along with the agents, servants and employees of the respondents, and in particular, respondent JANE DOE, a/k/a TONI B.

Respondents willfully and/or intentionally created a hostile and unsafe environment that no child would be able to tolerate.

Respondents, in order to avoid embarrassment, scandal and negative publicity, intended to cause the infant herein shame, humiliation and extreme emotional distress so he would stay silent and not report the abuse.

Respondents, their agents, servants and employees, behaved in a manner toward the infant that was so outrageous as to exceed all reasonable bounds of decency, and knew with substantial certainty, or should have known that their behavior would cause the infant to be a victim of sexual abuse, sexual harassment, rape and violence, knowing that the behavior of the respondents would cause severe emotional distress to the infant herein.

The foregoing acts of respondents, their agents, servants and employees, and in particular, respondent JANE DOE, a/k/a TONI B, caused the claimant and the infant herein physical, mental and emotional distress.

Upon information and belief, the respondents, their agents, servants and employees, and in particular, respondent JANE DOE, a/k/a TONI B, were negligent for failing to address prior complaints against respondents, their agents, servants and employees, and in particular, respondent JANE DOE, a/k/a TONI B, of sexual harassment, sexual abuse, rape and violence, and/or negligently ignored complaints and concerns from both the claimant and other residents of the respondents' facility.

Respondents were negligent when they allowed the infant to continue to be exposed to respondents, their agents, servants and/or employees, and in particular, respondent JANE DOE, a/k/a TONI B, after being provided with warning signals such as suspicious behavior and/or allegations of sexual harassment, sexual abuse, rape and violence committed by the agents, servants and employees of respondents, and in particular, respondent JANE DOE, a/k/a TONI B.

Respondents knew, or should have know, this inaction would subject the infant to further sexual harassment, sexual abuse, rape and violence, and knew or should have know this would unreasonably endanger the infant's safety, cause him to fear for his safety, and cause him severe emotional distress.

Respondents, their agents, servants and/or employees, and in particular, respondent JANE DOE, a/k/a TONI B, owed a duty to the infant to protect

him from sexual abuse, sexual harassment, rape and violence from respondents, their agents, servants and/or employees, and in particular, respondent JANE DOE, a/k/a TONI B including, but not limited to, when a resident of the East Ferry Detention Center.

The infant herein suffered severe emotional and mental suffering ad distress due to the respondents' actions, as well as the actions of respondents' agents, servants and employees, and in particular, respondent JANE DOE, a/k/a TONI B.

Respondents owed a duty of care to supervise and protect the infant herein.

Respondents were obligated to the infant to hire personnel to ensure that the environment of the East Ferry Detention Center was a safe environment for all children, including the infant claimant herein.

Respondents, their agents, servants and employees, and in particular, respondent JANE DOE, a/k/a TONI B, knew, or should have known at the time of respondents' hiring of employees, and in particular, respondent JANE DOE, a/k/a TONI B, of her propensity for the conduct which caused the injury.

The infant herein is the victim of sexual abuse, sexual harassment, rape and violence by, or at, the direction of respondents, their agents, servants and employees, and in particular, respondent JANE DOE, a/k/a TONI B.

As a result, the infant claimant has suffered severe emotional and mental suffering and distress due to the actions of the respondents, their agents,

servants and employees, and in particular, respondent JANE DOE, a/k/a TONI B, as well as fear for his own physical safety.

Further, respondents, their agents, servants and/or employees, owed the infant a duty of care to supervise and protect the infant, and was further obligated to supervise personnel to ensure that the environment was a reasonably safe environment for all children.

The infant herein was a victim of sexual abuse, sexual harassment, rape and violence by or at the direction of the respondents, their agents, servants and/or employees, and in particular, respondent JANE DOE, a/k/a TONI B.

That the respondents, their agents, servants and/or employees, had, or should have had knowledge of the sexual abuse, sexual harassment, rape and violence by or at the direction of respondents and negligently ignored the sexual abuse, sexual harassment, rape and violence committed by respondents' agents, servants and employees, and in particular, respondent JANE DOE, a/k/a TONI B.

That the respondents, their agents, servants and employees did not terminate the employment of respondent JANE DOE, a/k/a TONI B in a timely fashion despite the sexual harassment, sexual abuse, rape and violence committed by respondent JANE DOE a/k/a TONI B, and breached their duty of care to the infant when they negligently supervised and retained the respondent, JANE DOE a/k/a TONI B.

Further, Title IX of the Education Amendment of 1972 forbids a "funding recipient" from discriminating on the basis of sex in educational programs and activities.

9 YV 90

Upon information and belief, respondent, Erie County Youth Services
Center is a "funding recipient" under Title IX.

Respondent JANE DOE, a/k/a TONI B inappropriately touched the infant claimant and exposed the infant claimant to provocative acts, in violation of Title IX.

Respondent JANE DOE, a/k/a TONI B's verbal and physical conduct of a sexual nature was severe or pervasive enough to alter the conditions of the infant plaintiff's environment while a resident of the Erie County Youth Services Center and created an abusive environment.

Respondents had the authority and duty to institute corrective measures, yet acted with deliberate indifference in failing to respond to the sexual harassment and sexual abuse being perpetrated by respondent JANE DOE, a/k/a TONI B.

The deliberate indifference of respondents, and in particular, respondent JANE DOE, a/k/a TONI B, and the sexual harassment and sexual abuse committed by respondents, and in particular, respondent JANE DOE, a/k/a TONI B, effectively barred the infant claimant access to various educational opportunities and benefits at the Erie County Youth Services Center and subjected the infant claimant to discrimination on the basis of sex in violation of Title IX.

The infant claimant suffered severe emotional and mental suffering and distress due to respondents' actions including, but not limited to, their agents, servants and employees and, in particular, respondent JANE DOE, a/k/a TONI B, as well as fear for his own physical safety.

Pursuant to title IX, the infant herein also seeks attorneys' fees.

Respondents, their agents, servants and employees and, in particular, respondent JANE DOE, a/k/a TONI B's knowledge of the violence, sexual harassment and/or misconduct against the infant claimant by or at the direction of respondents, their agents, servants and/or employees and in particular, respondent JANE DOE, a/k/a TONI B, is tantamount to a wanton and conscious disregard for the safety of the infant herein and others and warrants the imposition of punitive damages.

By reason of the malicious, intentional, willful and/or negligent conduct of the respondents herein, and by such other acts that were morally reprehensible, the conduct of respondents, their agents, servants and employees and in particular, respondent JANE DOE, a/k/a TONI B, evidenced a callous disregard for the safety of the infant claimant, and said acts constituted a wanton, reckless and/or malicious disregard for the rights of others and, as a result thereof, the claimant demands punitive damages.

7. By reason of the aforesaid occurrence, the infant sustained severe emotional trauma, depression and anxiety, all of which were and are permanent in nature, resulting in the need for medical intervention; and which

injuries have lead to self-loathing, embarrassment and an unwillingness to trust those leading the rehabilitative programs of the Erie County Youth Services Center.

. . .

8. The claim of Fadumo Barake is for the loss of services, society and companionship of her son, the infant herein, as a result of the negligence, carelessness and/or reckless disregard for the safety of the infant herein, resulting in, among other things, the acts and/or omissions of the respondents, as well as their agents, servants and/or employees herein.

Claimants also makes claim for any and all medical expenses incurred as to the care, treatment and attempted cure of the injuries sustained and/or the residual effects of the same by the infant herein as to the past, present and/or future.

9. The negligence of the respondents, their agents, servants and/or employees consisted of upon information and belief, *inter alia*, the following:

In allowing the infant herein to be in an environment at the Erie County Youth Services Center that was detrimental to his mental and physical well-being and growth in that he was unduly and continually assaulted, battered and raped; in failing to properly maintain, operate and control the premises in question; in that respondents failed to address and, in fact, did ignore the assault, battery and rape of the infant herein by respondent Jane Doe, thus creating a dangerous condition; in that the respondents allowed staff to behave in such a manner which they knew, or in the exercise of reasonable care, should have known were detrimental to the infant's well-being while a resident of the Erie County Youth

Services Center, thus creating a dangerous and hazardous condition and which they allowed to exist for some period of time; in that they failed to properly supervise the safety of the infant herein; in that they failed to provide sufficient and proper protection and safeguards for the children lawfully within the confines of the Erie County Youth Services Center; that they failed to properly supervise the staff and their activities; that they failed to have competent, skillful and experienced employees as supervisors, security personnel and case workers; that they failed to have a sufficient number of individuals present to properly care and supervise the residents of the Erie County Youth Services Center and its employees; and that the employees so employed were incompetent, unskillful and inexperienced; and that they were otherwise negligent in the premises.

WHEREFORE, claimants respectfully pray and request that these claims as set forth herein be paid and allowed by the respondents.

ELDERWOOD AT CHEEKTOWAGA,

Plaintiff,

VERIFIED COMPLAINT

-against-

MARIE CANNON, AS COMMISSIONER OF THE ERIE COUNTY DEPARTMENT OF SOCIAL SERVICES.

Defendant.

Plaintiff ELDERWOOD AT CHEEKTOWAGA ("ELDERWOOD"), by its attorneys Schwartz Sladkus Reich Greenberg Atlas LLP, as and for its complaint, alleges as follows:

NATURE OF PROCEEDING AND PARTIES

- 1. This is an action for a declaratory judgment under CPLR § 3001 that one of Elderwood's former nursing home residents, Mary Ann Gasiecki, was eligible for nursing home (chronic care) medical assistance under the Social Services Law ("Medicaid") for amounts owed to Elderwood for the period from February 1, 2018 through May 26, 2019.
- 2. Plaintiff Elderwood at Cheektowaga is a corporation organized under the laws of the state of New York having its principal offices at 225 Bennett Road, Cheektowaga, NY 14227. Elderwood is a nursing home facility that operated under the name "ELDERWOOD AT CHEEKTOWAGA" serving a largely elderly population in Erie County.
- 3. Defendant Marie Cannon is the Commissioner of the Erie County Department of Social Services (the "ECDSS" or "the Agency"), which is the agency responsible for determining Mary Ann Gasiecki's eligibility for Medicaid.

NYSCEF DOC. NO. 1 RECEIVED NYSCEF: 12/14/2022

FACTS

- 4. Mary Ann Gasiecki was admitted to Elderwood on February 1, 2018.
- 5. A Medicaid application dated May 22, 2018 was submitted to ECDSS on Mary Ann Gasiecki's behalf, by her son, Daniel Gasiecki with the assistance of Cheektowaga Senior Services seeking a Medicaid pickup date of February 1, 2018
- 6. On June 25, 2018, ECDSS determined Mary Gasiecki's application was not completed and stated certain documents were to be provided by July 10, 2018.
- 7. On September 25, 2018 ECDSS determined Mary Gasiecki's application was not completed and certain documents must be provided by October 18, 2018.
- 8. On October 18, 2018, ECDSS issued a denial for failure to submit personal needs account with facility, a certain financial transaction from Citizens bank and Life insurance policy.
- 9. Upon information and belief, ECDSS did not make reasonable efforts to obtain the information on its own.
- 10. The Erie County Department of Social Services improperly denied Mary Ann Gasiecki's May 22, 2018 Medicaid application on October 18, 2018 in its Notice of Decision on Ms. Gasiecki's Medicaid application.
- 11. A fair hearing was requested by Mary Ann Gasiecki's son and power of attorney Daniel Gasiecki.
- 12. On December 11, 2018, a fair hearing was requested by Daniel Gasiecki NYS Fair Hearing (FH # 7877497Z) to contest the Notice Of Denial dated October 18, 2018. The decision after Fair Hearing dated July 5, 2019 determined that the Agency's decision was correct. The hearing concluded that Daniel Gasiecki did not have good cause for failure to provide requested

documentation. Nothing in the fair hearing decision address the underlying financial eligibility of Ms. Gasiecki. Rather, the decision hinged on whether Daniel Gasiecki provided documentation timely. See Exhibit "A" Fair Hearing Decision.

- 13. Plaintiff never appeared on Ms. Gasiecki's behalf administratively as her son and POA Daniel Gasiecki was the representative.
 - 14. Mary Ann Gasiecki died on May 27, 2019.
- 15. After Mary Ann Gasiecki died, Plaintiff filed an estate proceeding to be able to obtain authorization to gather documentation to prove Ms. Gasiecki's eligibility.
- 16. On March 6, 2020, the Public Administrator of Erie County was granted Letters of Administration for Ms. Gasiecki's estate. Thereafter, Plaintiff's attorneys obtained authorization to obtain documentation.
- 17. Plaintiff's law firm has obtained the requisite documentation to prove Ms. Gasiecki's Medicaid eligibility and she was and should be declared eligible for Medicaid. However, ECDSS has refused to reopen the case.
- 18. Despite this decision, the fact remains that Mary Ann Gasiecki was and is eligible for Medicaid Nursing Home Chronic Care Services.

CAUSE OF ACTION

- 19. Elderwood has standing to bring this plenary action in its own right against defendant, as Commissioner of the Department of Social Services, as Elderwood will receive the Medicaid payments to which Mary Ann Gasiecki was and is legally entitled, but which were denied to her.
- 20. Elderwood requires and is entitled to a declaratory judgment that Mary Ann Gasiecki was eligible for Chronic Care nursing home Medicaid eligibility for the period from

COUNTY CLERK 12/14/2022

INDEX NO. 815286/2022

RECEIVED NYSCEF: 12/14/2022

February 1, 2018 through May 26, 2019 with respect to the care, treatment, room and board that

Elderwood provided to Ms. Gasiecki during that period, as her eligibility is established; and that

Medicaid shall pay the amount due for the eligibility as Eldwerwood has been left with an

outstanding balance for a former resident who was Medicaid eligible.

WHEREFORE, Elderwood demands judgment declaring that Mary Ann Gasiecki is eligible

for Chronic Care nursing home Medicaid coverage for the period from February 1, 2018 through

May 26, 2019, with respect to the care, treatment, room and board that Elderwood provided to Ms.

Gasiecki during that period, such other and further relief as shall appear just and proper.

Intake Interview 10/17/22

I have made prior complaints of race and sex discrimination against respondent both internally in June 2018 and with the Division on 6/27/19 (SDHR No. 10202509). Because of this, I believe respondent retaliated against me.

I was hired by respondent on 5/6/1998 and last held the position of Youth Detention Worker at the 810 East Ferry, Buffalo, NY facility. During my employment I have been subjected to discrimination and a hostile work environment.

In was injured and went out of work on 7/4/2019 and I returned to work on 5/23/21. Within minutes of my return, I was called into the office and told that Cynthia Schwab had learned of my return and that I was to stay away from her while at work. I had filed a prior complaint against Ms. Schwab and she had filed a complaint against me. I was not allowed to perform my usual duties, because of the proximity to Ms. Schwab. I believe Maryellen Brockmeyer was trying to find an issue with me in retaliation for my prior complaints against her. I felt she was biased and asked to have someone else oversee the meeting. Maryellen Brockmeyer denied my request, stating that due to the seriousness of the alleged offenses, which were rule violations and criminal offenses.

On 10/7/21 I went out of work on Worker's Compensation leave. I was requested to appear for a fact finding conference on 10/13/21. Two issues were raised during the meeting. Regarding the first issue, I was asked if I recalled a prior phone conversation with Tina, from HR. I said that I did not. I was then accused of verbally abusing Tina. I asked for information regarding the purpose of the conversation and outcome but was not given any. I denied having such a conversation. I was told the call was to my phone and asked who else would have answered it. I said I don't have locks on my phone and it could have been anyone. I was then asked who would have answered with a male voice. I then felt uncomfortable and felt I had to disclose my sexual orientation, bi-sexual, to Maryellen Brockmeyer and two other coworkers who were on the meeting and were unaware of my sexual orientation. At that point I was not asked any more about this allegation.

In regard to the second allegation, I was told a prior security guard filed a formal complaint that I had physically or verbally forced him into the locker room, an authorized area. I denied these allegations. I, as well as others talk in the locker room all of the time, but I never did anything inappropriate, nor did I force anyone from their work area. Maryellen Brockmeyer asked me if I was made of metal. I took this as a reference to my sexual orientation and referring to the receiver of a sexual relationship. I felt she was then accusing me of a sexual act. I was denied any further details, statements, or information about the allegations. My union rep, Don McDougal, asked if it was fact finding or a disciplinary hearing. We were told it was fact finding. I attempted to provide documents to respondent in my defense, however, they were returned unopened. On or about 10/25/22 I received a certified letter of termination. I believe I was terminated in retaliation for prior complaints and based on my disclosure of my sexual orientation, as the youth at the facility are approximately 90 percent male.

9. Description of alleged discrimination Tell us more about each act of discrimination that you experienced. Please include dates, names of people involved, and explain why you think it was discriminatory. TYPE OR PRINT CLEARLY. SEE ATTACHED

If you need more space to write, please continue writing on a separate sheet of paper and attach it to the complaint form. DO NOT WRITE IN THE MARGINS OR ON THE BACK OF THIS FORM.

Signature (Declaration or Oath)

Based on the information contained in this form, I charge the herein named respondent(s) with an unlawful discriminatory practice, in violation of the New York State Human Rights Law.

By filing this complaint, I understand that I am also filing my employment complaint with the United States Equal Employment Opportunity Commission under the Americans With Disabilities Act (covers disability related to employment), Title VII of the Civil Rights Act of 1964, as amended (covers race, color, religion, national origin, sex relating to employment), and/or the Age Discrimination in Employment Act, as amended (covers ages 40 years of age or older in employment). This complaint will protect my rights under federal law.

I hereby authorize the New York State Division of Human Rights to accept this complaint on behalf of the U.S. Equal Employment Opportunity Commission, subject to the statutory limitations contained in the aforementioned law.

I have not filed any other civil action, nor do I have an action pending before any administrative agency, under any state or local law, based upon this same unlawful discriminatory practice. (If you have another action pending and still wish to file, please contact our office to discuss.)

Panek in his use and operation of the Respondent's motor vehicle. Further, as the employer of Gary A. Panek, Respondent is vicariously liable for any and all acts of negligence, carelessness and recklessness committed by Gary A. Panek while within the course and scope of his employment. As a result of the negligence, carelessness and recklessness of Gary A. Panek, and the Respondent, the claimant has sustained severe, permanent and painful injuries as hereinafter set forth.
- 8. The collision at issue occurred on December 1, 2022, at approximately 9:46 a.m., when County of Erie employee, Gary A. Panek, was operating a 2022 Ford vehicle bearing New York State license plate number BF6943, titled and registered to the respondent, COUNTY OF ERIE, in the westbound direction on Eggert Road, at its intersection with Somerville Avenue, in the Town of Tonawanda, County of Erie, State of New York. Upon information and belief, Gary A. Panek, and therefore, the Respondent, failed to see what was there to be seen through the proper and

reasonable use of his senses; failed to yield the right-of-way; and intentionally performed an act of

an unreasonable character in disregard of a known or obvious risk that was so great as to make it

highly probable that harm would follow, and did so with conscious indifference to the outcome. As

a result of the foregoing, the motor vehicle owned by Respondent, and operated by Respondent's

employee/agent/representative, Gary A. Panek, struck the Claimant as Claimant lawfully rode his

bicycle.

9. As a result of the aforesaid collision, the Claimant suffered certain severe, permanent

and painful injuries, internal as well as external, was rendered sick, sore, lame and disabled,

sustained pain and suffering and shock to the nerves and nervous system, was caused to seek medical

aid and attention, was caused to and did incur great medical expense and will be compelled to spend

large sums of money for future medical expenses and was caused to be incapacitated from

performing his usual activities.

WHEREFORE, the claimants respectfully request that this claim be allowed and paid by the

COUNTY OF ERIE.
