

Western New York Independent Living, Inc.'s transportation program, Independence Express, offers rides for people with disabilities who reside in Erie, Niagara, Genesee, Orleans and Wyoming Counties. Anyone with a disability can participate. We have both wheelchair-accessible vans and minivans for ambulatory riders.

During this period of the COVID-19 pandemic, Independence Express is now offering FREE delivery of groceries, medications, and durable medical equipment for people with disabilities in our service areas.

In addition, Independence Express will provide FREE van rides to people with disabilities in our 5-county service area who need a ride to vote on Election Day (Tuesday, November 3rd) or earlier if you would prefer to cast your vote prior to Election Day. Also Independence Express will deliver ballots for anyone, with or without a disability, to their respective Boards of Elections.
