

**Joint Master Plan:** Supervisor Cummings stated that since the last committee meeting was held they have received the goals & objectives report that both board's must now review and provide comments on. He informed the Village that so far the 2 grants the town received to do this update have covered all expenses. At the end of the project if there are any expenses not covered, the town and village will split those. A question was raised about scheduling the next meeting. Don Shonn, a committee member, stated the next meeting was to be organized by the committee members themselves. After discussion, those present decided on Monday, November 13<sup>th</sup> at 2:00pm at the Town Hall.

The Mayor thanked everyone for coming. The two boards entered a joint executive session at 9:20pm to discuss joint contracts. The boards exited executive session at 10:15pm having taken no action.

The next meeting will be scheduled for Monday, January 22, 2018 at the Town Hall at approximately 8:30pm. A motion was made by Councilman Jendrowski, seconded by Councilman Burke to adjourn the meeting at 10:17pm.

Respectfully Submitted,  
Dawn D. Izydorczak, RMC  
Town Clerk
